Online Patient Access

Our secure patient portal, Weill Cornell CONNECT, gives you access to view the following within your medical records:

- Medications
- Immunizations
- Test Results

Download the MyChart app in iTunes or the Google Play store to get started or create an account at www.weillcornell.org.

With Weill Cornell CONNECT you can:

Send messages to your
physician's practice or directly
to your MD

Request refills and referrals

Schedule an appointment

Pay your bills online

Read in-depth medical advice
and information by searching
any health topic of interest

As always, the review and advice was excellent. I've been seeing him for 12 years now. He's operated on me twice, successfully! You can't do better for ENT than Dr. Tabaee.

—Ron McGill
