Online Patient Access

Our secure patient portal, Weill Cornell CONNECT, gives you access to view the following within your medical records:

- Medications
- Immunizations
- Test Results

Download the Weill Cornell Medicine app in iTunes or the Google Play store to get started or create an account at www.weillcornell.org.

With Weill Cornell CONNECT you can:

-  Send messages to your physician's practice or directly to your MD
-  Request refills and referrals
-  Schedule an appointment
-  Pay your bills online
-  Read in-depth medical advice and information by searching any health topic of interest

"I have been a patient of Dr. Mehta's for 3 years. I can honestly say he has given me a better quality of life. He is incredibly knowledgeable, compassionate and professional. He is up to date on the latest research and treatment options. I trust him completely as an advocate for my health." —Susan Coppola
